NADC Office – Check List THERAPEUTIC USE EXEMPTION (TUE) PROCESS

*** Please ensure information is kept confidential at all times. Ensure that the National Sports Federations have knowledge of and access to information related to the TUE application process and remind them of their obligation to make this information available to their national athletes (International Standard (ISTUE), TUE Guidelines, TUE Application Form).*

***The NADC Office should always consult the relevant member country's NADC Rules Agreement / Delegation of Responsibilities Form to confirm who is responsible for the TUE process.*

- Athlete does not classify as an International Level Athlete (as per the definition of the relevant International Federation (IF) and consistent with the International Level Athlete definition in the World Anti-Doping Code (Code).
- Confirm that the NADC has jurisdiction to process the application (national level athlete as defined by NADC) by reviewing the NADC Rules and relevant NADC Rules Agreement / Delegation of Responsibilities Form.

Receipt of Application

- Application received through ADAMS, hard copy, fax, or e-mail with the required accompanying documentation.
- Verify that the application is complete within **5 calendar days** of receipt. It **must** include full medical dossier as well a thoroughly filled out TUE Application Form indicating diagnosis, substance or method, dosage, route of administration, frequency, duration of treatment and containing the signatures of athlete and doctor and/or parent /guardian if the athlete is a minor or has an impairment that would prevent him/her from comprehending or signing the form.
- Contact the Athlete and/or relevant Board Member for additional/missing information if required.
-Within **5 calendar days** of receipt of TUE Application Form.

Contact the NADC TUE Committee (TUEC) and designate three members to serve as the TUEC for the application (TUECs should include at least three physicians with experience in the care and treatment of Athletes and a sound knowledge of clinical, sports and exercise medicine). In cases involving Athletes with impairments, at least one TUEC member should possess general experience in the care and treatment of Athletes with impairments, or possess specific experience in relation to the *Athlete's* particular impairment.

Within **7 calendar days** of receipt of complete application, gather all related information and securely send complete application package by email to the three TUEC Members for review.

Inform the relevant National Federation and Athlete that the application is under assessment.

Immediately after sending file to TUEC

Follow up on behalf of the TUEC if additional information is required from the Athlete.
Upon request.

Contact the Athlete and/or relevant National Federation if additional information is required.
Upon request.

TUE Decision

Ensure that completed TUE decision is received by NADC Office from the NADC TUEC within **21 calendar days** after receipt of the duly completed application.

Upon reception: Ensure that the decision from TUEC includes specifics related to use (dosage, frequency, route and duration of administration, any conditions related to the approval, etc.)

Prompt notification of the decision

Inform the athlete of the TUEC decision within **5 calendar days:**

- If TUE application is approved, ensure the notification to the athlete includes the specifics related to dosage, frequency, route and duration of administration, any conditions related to the approval, etc. Also include information informing the athlete that he/she is responsible for renewing the TUE upon expiry (if applicable).
- If TUE application is rejected, ensure the notification to the athlete includes the reasons for the denial and the details of the appeal process (their right to appeal exclusively to the national level appeal body described in articles 13.2.2 and 13.2.3 of the Code and the related deadline (deadline 21 days after athlete is notified of decision)).

NADC Office – Other Issues for Consideration

- If an athlete applies for a **retroactive** TUE, the NADC should ensure:
 - o It meets the requirements of Article 4.3 of the ISTUE.
 - If a retroactive TUE is granted according to Article 4.3 (a)-(c), ensure WADA is informed of the basis on which the TUE was granted.
 - If a retroactive TUE is granted according to Article 4.3 (d), you must seek WADA's approval prior to granting the retroactive TUE.
 - o The TUE process and TUE application form must be available on the NADC website, Facebook page, etc
 - The NADC should also request the Barbados Olympic Association Inc. to include the process and application form on their website.
- Ensure all TUEC members sign a conflict of interest and confidentiality declaration
- Adhere to the retention periods as outlined in the ISPPi:
 - o TUE approval forms – 10 years as of approval date
 - o TUE supplementary information (medical information, supporting documentation) – 18 months from the end of the validity of the TUE.
